

Multinational Chemical Company picks NiCE VMware Management Pack for advanced, real end-to-end VMware monitoring

PROBLEM

- No reliable VMware monitoring solution to integrate with Microsoft SCOM at hand
- Need real insights into ESXi and vCenter performance
- Key indicators on optimization points required

WHY NiCE

- Out-of-the-box setup worked like a charm, immediately loved the presented outcome
- Outstanding support in special customizations
- Best experience with other NiCE Management Packs

RESULTS

- Admins have insights far beyond their expectations
- Complex VMware deployment has become transparent
- Performance key indicators enable pinpoint optimizations
